

Customer Service Guarantee Exemption Advice – 20260213-QLD-E-C-I-CENTRAL EAST COAST AND WIDE BAY BURNETT

Parts of the Central East Coast local government areas of Banana, Rockhampton, Livingstone, Gladstone, Central Highlands and Woorabinda, and the Wide Bay Burnett local government areas of Bundaberg, Fraser Coast, Gympie, North Burnett, South Burnett and Cherbourg for Queensland, were impacted by intense rainfall resulting in localised and flash flooding and road closures between 13th February 2026 to 16th February 2026. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 149 Telstra services may be impacted.

How will this affect you?

We anticipate that most services will be restored by 20th March 2026. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 13th February 2026 to 20th March 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
