

Customer Service Guarantee Exemption Advice – 20260216-QLD-E-C-I-NORTH WEST QUEENSLAND DISTRICTS EXT 3

We've previously advised of an interruption to Telstra's normal operations, as parts of the City of Mount Isa local government area for Queensland was impacted by severe storms resulting in heavy rainfall, localised flooding and road closures between 14th February 2026 to 15th February 2026. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

We are continuing to experience ongoing delays in installation and repair activities due to this event. We estimate that as many as 3 Telstra services may be impacted.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4400 0000 To 07 4403 4999
- 07 4413 8200 To 07 4442 5999
- 07 4456 1000 To 07 4462 9999
- 07 4701 6000 To 07 4718 6999
- 07 4734 1000 To 07 4748 4999
- 07 4762 0000 To 07 4769 5999
- 07 4793 9000 To 07 4794 6999

How will this affect you?

We anticipate that most services will be restored by 11th June 2026. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 16th February 2026 to 11th June 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
