

Customer Service Guarantee Exemption Advice – 20260216-WA-S-C-I-KIMBERLEY AND PILBARA REGIONS

Parts of the Broome, Derby–West Kimberley, Wyndham–East Kimberley, and Port Hedland local government areas in Western Australia were impacted by severe heavy rainfall resulting in localised flooding and road closures between 16th February 2026 and 18th February 2026.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 2 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 08 5100 0000 To 08 5137 7999
- 08 9100 3000 To 08 9198 3999

How will this affect you?

We anticipate that most services will be restored by 27th March 2026. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to this event, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 16th February 2026 to 27th March 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.

What’s next?

You don’t need to do anything. We’re doing all we can to return to normal operating standards.
