

Customer Service Guarantee Exemption Advice – 20260223-SA-S-C-I- FLINDERS RANGES AND NORTH EAST PASTORAL

Parts of the Flinders Ranges and North East Pastoral areas for South Australia were impacted by severe heavy rainfall associated with a slow moving tropical low-pressure system, resulting in flooding and road closures between 22nd February 2026 to 24th February 2026. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 10 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 08 7601 1000 To 08 7652 0999
- 08 8606 0000 To 08 8606 8999
- 08 8643 8000 To 08 8650 1899
- 08 8661 9100 To 08 8678 4999
- 08 8691 1000 To 08 8698 1999

How will this affect you?

We anticipate that most services will be restored by 27th March 2026. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 23rd February 2026 to 27th March 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [**Australian Government, Federal Register of Legislation**](#) website.
