

Customer Service Guarantee Exemption Advice – 20260306-QLD-E-C-I-MARANOA AND WARREGO DISTRICTS

Parts of the local government areas of Maranoa, Murweh, Balonne and Paroo Councils for Queensland were impacted by severe heavy rainfall resulting in widespread flooding and road closures between 06th March 2026 to 09th March 2026. These weather conditions meet one or more of the criteria specified in Schedule 3 of the Telecommunications (Customer Service Guarantee) Standard 2023.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 40 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4500 1000 To 07 4629 9999
- 07 4640 0000 To 07 4693 0199
- 07 7500 1000 To 07 7544 5999

How will this affect you?

We anticipate that most services will be restored by 08th April 2026. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 06th March 2026 to 08th April 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [**Australian Government, Federal Register of Legislation**](#) website.
