

Customer Service Guarantee Exemption Advice – 20260327-WA-S-B-I- GOLDFIELDS ESPERANCE REGION

The City of Kalgoorlie - Boulder in the Goldfields Esperance Region for Western Australia was impacted by Tropical cyclone Narelle resulting in destructive winds, heavy rainfall, flooding and road closures between 27th March 2026 to 28th March 2026.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 16 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 08 6000 0000 To 08 6029 8999
- 08 9000 0000 To 08 9099 9999

How will this affect you?

We anticipate that most services will be restored by 8th April 2026. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to this event, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 27th March 2026 to 8th April 2026 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [**Australian Government, Federal Register of Legislation**](#) website.
