

# It all begins here

Turn over to get started

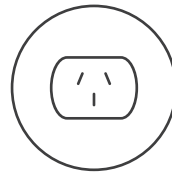

# Start watching in 3 easy steps

## 1. Plug in

Connect your Telstra TV to your television using the supplied HDMI cable. Pull the antenna cable out of the back of your TV and plug it into your Telstra TV.

## 2. Power up

Plug the supplied power adapter into a power point and into your Telstra TV, which will then power on automatically.

## 3. Set up. It's free.

Switch your television to the HDMI input and follow the on screen prompts to get started.
