

TELSTRA WIRELESS M2M \$169 MONTH TO MONTH DATA PLAN

INFORMATION ABOUT THE SERVICE

The Telstra Wireless Machine to Machine (M2M) service allows you to connect different pieces of equipment over Telstra's Next G[®], 3G and GPRS networks, feeding up-to-the minute data to your central business applications and sending instructions instantly back to your equipment. M2M solutions are now widely adopted and seen across many industries for uses like asset tracking, surveillance and monitoring, remote equipment management, patient health care and multimedia distribution.

You need a Telstra Wireless M2M service to take up this plan and an M2M approved device, which aren't included in your plan.

Minimum term

Casual. There is no fixed or minimum term.

Monthly Data Allowance

20GB – 1GB (Gigabyte) = 1,024MB (Megabytes). Any unused Monthly Data Allowance expires each month.

Data usage is the amount of data you use (ie upload and download) accessing the internet.

What's included

- A Monthly Data Allowance for use in Australia.

What's not

Manage your service online

Register for Online Bill to view your bills online. With Online Bill Reporting, you'll be able to organise and check your billing information – great for budgeting and end of financial year reporting. To register, go to telstra.com/business/billing

Tracking your estimated Australian mobile data usage is easy – download our Telstra 24x7[®] App. Available for iPhone and Android[™] phones at telstra.com/business/app

We'll also send you SMS alerts within 48 hours of you reaching 50%, 85% and 100% of your Monthly Data Allowance, or register and access our Mobile Data Usage Meter at telstra.com/business/datameters

Billing

The figures in this Critical Information Summary are for a full billing cycle but your first bill may include pro rata charges for part of the month if you started or changed your plan part way through a billing period.

Important Information about your first bill

When you first start a plan or change your plan part way through a billing period, your first bill will include your minimum monthly charge in advance. It will also include a proportion of your minimum monthly charge based on the number of days left in the billing period. You'll receive a full month's data allowance.

To opt into receiving paperless billing, visit telstra.com/emailbill to request an email bill and/or set up direct debit. For more information on other bill payment options, go to telstra.com/billpay
