## OTHER INFORMATION

### Manage your service online

We'll send you SMS alerts within 48 hours of you reaching 50%, 85% and 100% of your Monthly Data Allowance if you have a device which supports SMS. Not all mobile broadband devices can receive SMS. We recommend that you configure your notifications to be sent to a nominated email address. To change your default notification from SMS to a nominated email address, go to [telstra.com/business/mdum](http://telstra.com/business/mdum) to register for My Account then login to the Mobile Data Usage Meter.

You can track your estimated Australian mobile data usage by downloading our Telstra 24x7® App. Available for iPhone and Android™ phones at [telstra.com/business/app](http://telstra.com/business/app)

## Using your service overseas

The cost of using your service overseas is much higher than in Australia. Your monthly plan allowance doesn't include use while you're overseas so you'll be charged separately for this usage.

Here are the main charges that apply:

- **calls and SMS while overseas** – for call rates, see [telstra.com/business/overseas](https://telstra.com/business/overseas)
- **data while overseas** – \$3 per MB (charged per KB or part thereof).

If you're travelling overseas, you can set up international Roaming online at [telstra.com/business/overseas](https://telstra.com/business/overseas) or you can contact us on 125 109.

You may wish to consider one of our International Casual Traveller Data Packs or International Frequent Traveller Data Plans to use data in selected countries. These are available by visiting [telstra.com.au/business/overseas](https://telstra.com.au/business/overseas)

For help with technical issues while overseas, you can call our 24/7 International Roaming Helpdesk free of charge from a Telstra mobile on +61 439 12 5109.

## Billing

Your bill is charged on the same date each month (eg 15 May, 15 June, 15 July). Each 'month', you'll be billed in advance for the minimum monthly charge and for your use during the previous month. Your first bill will include a proportion of your monthly charge (referred to as pro-rating). You'll still receive your full Monthly Data Allowance.

To opt into receiving paperless billing, visit [telstra.com/emailbill](https://telstra.com/emailbill) to request an email bill and/or set up direct debit. For more information on other bill payment options, go to [telstra.com/billpay](https://telstra.com/billpay)
