

\$130 TELSTRA BUSINESS FLEET PLUS PLAN

INFORMATION ABOUT THE SERVICE

Your plan is for a post-paid mobile phone service. It gives you access to our network, a mobile phone number, and lets you make and receive calls, send and receive messages, and access mobile data.

Handset

Your plan doesn't include a handset and you need to bring your own, or buy one outright, or if you take up a 24 month plan, you can take up our Mobile Repayment Option (MRO) where you get your handset and pay it off monthly. We may give you a Smartphone Bonus Offer (SBO) with your MRO. SBO is a monthly discount to offset the handset cost.

Minimum term

24 months or Casual Month-to-Month.

Your Monthly Call Allowance

Your plan gives you unlimited, SMS and MMS to standard Australian numbers from in Australia.

Free intra-account calls

Your plan includes free Intra-account calls, which means you can make calls and send SMS messages to services on other fleet plans (like Business Fleet Plus, Business Fleet Connect, Business Mobile Advantage, Business Mobile PLUS and Business Fleet Select) on your account in Australia for free.

Monthly International Direct Dial Allowance

Your plan comes with a monthly allowance of \$100 that can be used to make voice calls and SMS from within Australia to standard international numbers.

Loyalty Bonus

If you take up a 24 month plan, and you do not take up a handset with SBO, we'll credit your account with **\$25** each month you stay on your plan.

SMS Bonus

You can send unlimited standard SMS/MMS in Australia to standard Australian numbers.

Your Monthly Data Allowance

8GB to use in Australia – any unused Monthly Data Allowance expires each month. Your Monthly Data Allowance is shared with other Business Fleet Plus, Business Fleet Connect or Mobile Advantage plan services on your account while in Australia (excludes \$10 Fleet plan).

What's included

You can use your Monthly Call Allowance for most types of national direct dial calls, video calls and messages made in Australia to standard Australian numbers, including voice calls to most 11xx, 13xx, 18xx and 12xx, calls and SMS to most satellite phones, diversion within Australia to fixed numbers with only an 02, 03, 07 or 08 area code or mobile numbers commencing with only 04xx and any other calls or messages determined by us. Your plan includes unlimited standard SMS, MMS, and MessageBank retrieval and diversion.

What's not

You can't use your Monthly Call Allowance, unlimited SMS and MMS for third party content calls, calls and messages to international numbers, calls or SMS to 19xx, 1234, 12455 and 12456 services, premium SMS and MMS, wake up and reminder calls, information and operator assisted calls, reverse charge calls, Call Answer, Memo, PhonePage, calls to Pivotel mobiles and any other calls or messages determined by us. You need to pay us for this usage separately.

Charges for these calls can be found at [telstra.com/customer-terms](https://www.telstra.com/customer-terms)

INFORMATION ABOUT PRICING

Your minimum monthly charge

\$130 – you'll need to pay more than **\$130** if you use more than your monthly call or data allowances, or if you use your service for things not included in your plan.

Mobile Handset Repayments

If you take up an MRO with a handset that has an additional charge, depending on the handset you choose, you may have to pay an amount upfront and make monthly interest free repayments. If you cancel before the end of your contract term, you must pay your remaining handset repayments as a lump sum and your repayments may be higher as you won't receive any SBO discount for the remaining repayments. MRO is not available on Casual Month-to-Month plans.

Accessory Repayment Option (ARO)

If you have chosen an ARO, you must pay your monthly ARO payments over the term of your eligible plan. The application form for your plan sets out the amount you need to pay each month for the term of your plan and the total cost of your accessories. If you cancel your ARO or your eligible plan before you have paid off your accessories, you'll need to pay the remaining ARO payments. ARO is not available on Casual Month-to-Month plans.

Data Sharing

Your plan includes a Bonus SIM. If you need additional Data Share SIMs, you can purchase them for \$5/mth per SIM. Your Monthly Data Allowance is shared between your plan and any eligible Data Share SIMs on your account. Your data will also automatically be shared with other Business Fleet Plus, Business Fleet Connect or Mobile Advantage plan services on your account while in Australia (excludes \$10 Fleet plan).

Data Share SIMs can only be used for data. They cannot be used for voice calls or messaging. If you use your Data Share SIM in a mobile phone, we may block access to data from that mobile handset.

You can purchase a device by taking up an MRO. This may include up front costs and monthly repayments. You may have to pay out the balance if you cancel early.

New Phone Feeling

Your plan comes with the option of New Phone Feeling. After 12 months you can take up a new phone on an eligible new 24 month plan when you return your old phone in good working condition. For this plan, there is no redemption fee payable. Please refer to the New Phone Feeling Critical Information Summary for full details.

The total minimum plan cost

The total minimum amount that you'll need to pay over the minimum term is **\$3,120** on a 24 month plan, plus any handset repayments. You'll also need to pay for any usage that exceeds or is excluded from your monthly call or data allowances. There's no total minimum plan cost on the Casual Month-to-Month plan, but you'll need to pay for all costs incurred on your plan (including your monthly charge on a pro-rata basis) at the date your plan is cancelled or varied.

Calls in Australia

Your plan gives you unlimited calls, SMS and MMS to standard Australian numbers.

Data charges in Australia

If you use more than your Monthly Data Allowance (including data you can share), you will be charged an additional **3¢** per MB.

You can add a Business Mobile Data pack – Shareable to your plan for an additional fee, which gives you an extra Monthly Data Allowance to use in Australia. If you're not sure how much data you might need, you can go to the Data Usage Calculator at telstra.com.au/postpaid-data-calculator

Calls to international numbers

Your Monthly Call Allowance and SMS Bonus don't include calls or messages to international numbers, so you'll be charged extra for these. The main charges that apply are:

- **calls to international numbers** – for call rates to international numbers, see telstra.com
- **SMS to international numbers** – **50¢** per message per recipient
- **MMS to international** – **75¢** per message per recipient.

If you regularly call overseas, you can take up a Business International Pack with your plan for an additional fee, which gives you a monthly allowance to use to call, video call and SMS most international numbers.

Early Termination Charges

If you cancel your plan early or move to another plan before the end of your minimum term, you may need to pay us an Early Termination Charge (ETC). The ETC decreases by equal instalments each month you stay on the plan. Your maximum ETC at the start of your plan is **\$1,560** on a 24 month plan.

If, before the end of your minimum term, you move to a Business Fleet Plus plan with a lower minimum monthly charge or you move from a Business Fleet Plus plan to a Casual Business Fleet Plus plan or you move to an Easy Share Business plan, Easy Business plan or Go Business Mobile plan and start a new contract you may also need to pay us an ETC. You can cancel a Casual Month-to-Month plan at any time, there's no ETCs.
