Information about the service

A post-paid mobile broadband data service for use with a mobile broadband or tablet device providing:

- access to our network
- access to mobile data

Your SIM for this service won't provide access to mobile data from a mobile handset.

Bring your own device

You can bring your own (BYO) Telstra Mobile Network compatible device with this plan. You'll get the best experience if your device supports 3G-850MHz, 4G-1800MHz and 4G-700MHz banding.

Check your device manual or manufacturer's website for details. See telstra.com/device for more information

Your Mobile Repayment Option (MRO)

You may purchase an eligible device with this plan, payable in monthly installments. You may receive a monthly discount. You will lose your discount if you cancel early.

Information about pricing

Refer to the Plan Cost table. If you use your mobile broadband for things not included in your Plan or exceed your Monthly Data allowance, you'll have to pay more than the Minimum Monthly Charge set out in the Plan Cost table.

What happens if I go overseas?

Unless you are re-contracting your existing service or have chosen to opt out, your plan is automatically activated with International Roaming. You can de-activate this by calling us on 125 109.

What happens if I cancel my service early?

If you cancel your plan early, you'll need to pay an Early Termination Charge (ETC) and any remaining device and accessory payments.

The maximum ETC at the start of your plan is set out in the above table.

Roaming + SMS + Data

Check the table above to see if your plan has International Roaming Calls & SMS or Roaming Data.

If your plan does not have included Roaming Calls & SMS or Roaming Data then you will have an International Day Pass activated, which for an additional charge per day lets you make and receive unlimited standard voice calls and SMS and includes 200MB data for use each day (AEST) when travelling in Eligible Roaming Countries.

If you use more than your 200MB each day then we will automatically add extra data to your service in blocks of 500MB for \$10. If you use your device outside of Eligible Roaming Countries or Choose to opt out of your International Day Pass then the following call rates will apply:

- Calls/SMS/MMS – visit www.telstra.com/overseas
- Mobile Data - \$3.00 per MB (charged per KB or part)

For more information you can refer to the International Day Pass Critical Information Summary.

Other Information

What do I need to understand about my first bill?

When you start or change your plan part way through a billing period, your first bill will have part month charges.

How can I monitor and manage my usage?

You'll receive SMS alerts when you reach 50%, 85% and 100% of your Monthly Data allowance. We'll also send you an alert if Extra Data is added to your service. To check your usage:

- login to My Account at **telstra.com/myaccount**
- use My Plan Manager by going to **telstra.com/mpm** on your mobile's browser (select the 'My' tab to view details)
- use the Telstra 24x7® App on your iPhone and Android phone (available at **telstra.com/business/app**)
- check the mobile data usage meter at **telstra.com.au/my-data-usage**

Business Demand Data

Refer to the plan table above to determine if you are eligible for Business Demand Data (BDD). On rare occasions there can be unexpected surges in data traffic that can impact 4G mobile download performance, BDD can help provide a more reliable and consistent data connection on the Telstra Mobile Network during these times. BDD will automatically be enabled on all eligible plans. User download experience during these times is still likely to be poorer than usual.

FairPlay Policy

You must comply with our FairPlay Policy and not use your service in an unacceptable, unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of, or causes significant congestion to, the network. We may take action if you breach the FairPlay Policy, including suspending or cancelling your service.
