## Information about the service

Your Plan is for a post-paid mobile phone service that provides access to the Telstra Mobile Network. You must lease a mobile handset on a Device Lease Contract.

## Your Device Lease Contract (DLC)

You must lease an eligible handset on this plan, payable monthly over 24 months, and return it to us at the end of your Device Lease Contract term. At the end of your contracted term you can offer to buy your device at market value if we agree to sell the device. As you do not own the device, a fee of up to \$499 is applicable if your device is damaged.

## Eligible Data Share

You can also share data with other eligible plans on the same account. Eligible services can be found in our customer terms at [telstra.com/customer-terms](https://www.telstra.com/customer-terms). Or additional Data Share SIMs can be purchased for \$5/mth per SIM (limit of 5 Data Share SIMs per service). Data is shared between your Plan and any additional Data Share SIMs. Data Share SIMs can't be used in a mobile handset.

## Upgrading your device

You can upgrade your leased handset to a new eligible handset after the first 12 months of your DLC provided you terminate your existing DLC, return the leased handset to us in Good Working Order within 14 days of entering into a new 24-month eligible handset and mobile service plan and pay an upgrade fee of \$99. If you return your leased device damaged, we will charge you a fee of \$229 (minor damage), or up to \$499 (if damaged beyond repair). If you fail to return your device within 14 days of upgrading your device, you must pay the fair market value of the device (to be advised at the time) plus 20%. At the end of your minimum term, you must return your leased device to us or you may offer to purchase it for fair market value (advised to you at the time). If you fail to return your device at the end of the DLC term (subject to our approval), you must continue to pay the monthly payment for your device and Plan (including any Business Lease Assure fees) for up to 6 months. If still not returned, we will charge you the fair market value of the device (to be advised at the time).

# Information about pricing

Refer to the Plan Cost table.

## Your minimum monthly charge

Your Minimum Monthly Charge will include the price of the plan as well as your DLC amount. Your DLC varies depending on the device and plan. This will be advised at point of sale. If you use your mobile for things not included in your Plan or exceed your Monthly Data allowance, you'll have to pay more than the Minimum Monthly Charge set out in the Plan Cost table.

## Monthly Allowance

Refer to the above plan table. You can use your Monthly Call Allowance for most types of national direct dial calls, video calls and messages made in Australia to standard Australian numbers, including voice calls to most 11xx, 13xx, and 12xx, calls and SMS to most satellite phones, diversion within Australia to fixed numbers with only an 02, 03, 07 or 08 area code or mobile numbers commencing with only 04xx and any other calls or messages determined by us. Calls to 18xx numbers are free on this Plan. You can also make free voice and video calls to other eligible plans on the same account in Australia.

## What happens if I go overseas?

Unless you are re-contracting your existing service or have chosen to opt out, your plan is automatically activated with International Roaming. You can de-activate this by calling us on 125 109. For more information on International Roaming, visit [telstra.com/internationalroaming](https://www.telstra.com/internationalroaming).

## Roaming + SMS + Data

If your plan does not have included Roaming Calls & SMS or Roaming Data then you will have an International Day Pass activated, which for an additional charge per day lets you make and receive unlimited standard voice calls and SMS and includes 200MB data for use each day (AEST) when travelling in Eligible Roaming Countries.

If you use more than your 200MB each day then we will automatically add extra data to your service in blocks of 500MB for \$10. If you use your device outside of Eligible Roaming Countries or Choose to opt out of your International Day Pass then the following call rates will apply:

- Calls/SMS/MMS – visit [www.telstra.com/overseas](https://www.telstra.com/overseas)
- Mobile Data - \$3.00 per MB (charged per KB or part)

For more information you can refer to the International Day Pass Critical Information Summary.

# Other Information

## What do I need to understand about my first bill?

When you start or change your plan part way through a billing period, your first bill will have part month charges.

## How can I monitor and manage my usage?

You'll receive SMS alerts when you reach 50%, 85% and 100% of your Monthly Data allowance. We'll also send you an alert if Extra Data is added to your service. To check your usage:

- login to My Account at [telstra.com/myaccount](https://www.telstra.com/myaccount)
- use My Plan Manager by going to [telstra.com/mpm](https://www.telstra.com/mpm) on your mobile's browser (select the 'My' tab to view details)
- use the Telstra 24x7® App on your iPhone and Android phone (available at [telstra.com/business/app](https://www.telstra.com/business/app))
- check the mobile data usage meter at [telstra.com.au/my-data-usage](https://www.telstra.com.au/my-data-usage)

Find out more at [telstra.com/myusage](https://www.telstra.com/myusage)

## Business Demand Data

Refer to the plan table above to determine if you are eligible for Business Demand Data (BDD). On rare occasions there can be unexpected surges in data traffic that can impact 4G mobile download performance, BDD can help provide a more reliable and consistent data connection on the Telstra Mobile Network during these times. BDD will automatically be enabled on all eligible plans. User download experience during these times is still likely to be poorer than usual.

## Fair Use Policy

You must comply with our Fair Use Policy and not use your services in an unreasonable or fraudulent manner or in a way that detrimentally interferes with the integrity of the network. We may take action if you breach the Fair Use Policy, including suspending or cancelling your service.

## Need help? We're here for you.

Visit [telstra.com/contactus](https://www.telstra.com/contactus) for our support options. Call 13 20 00 or 133 677 (TTY), or +61 439 12 5109 from overseas, to speak to someone about your plan or to obtain a copy of this summary in an alternative /accessible format.

## Complaints

If there's something you're not happy with and you wish to make a complaint, visit [telstra.com/complaints](https://www.telstra.com/complaints). We like to make every attempt to resolve any issues but you can contact the Telecommunications Industry Ombudsman by phone on 1800 062 058 or visit [tio.com.au/about-us/contact-us](https://www.tio.com.au/about-us/contact-us) if you would like an independent investigation

This is a summary only. The full legal terms for this plan are available at [telstra.com/customer-terms](https://www.telstra.com/customer-terms)
