Information about the service

The Business Mobile plan (Plan) is for a post-paid mobile phone service. You'll get access to our network, a mobile phone number, be able to make and receive calls, send and receive messages, and access mobile data.

You'll need to purchase a handset to use with your Plan by taking up a Mobile Repayment Option (MRO). Depending on the handset you choose:

- you may have to pay an amount upfront and make monthly interest-free repayments. We'll let you know beforehand if any payments apply to you; and
- we may give you a Smartphone Bonus Offer (SBO). This means you will receive a discount to offset the handset cost.

Minimum term

24 months.

Accessory Repayment Option

You can choose an Accessory Repayment Option (ARO) to buy mobile accessories, for which you'll be charged monthly interest-free payments. If you cancel your ARO, you'll have to pay the remaining cost of the accessories.

Data Sharing

Additional Data Share SIMs can be purchased for \$5/mth per SIM (limit of 5 Data Share SIMs per service). Data is shared between your Plan and any extra Data Share SIMs. Your data will also automatically be pooled with all Business Mobile, Business Lease Mobile, My Business Mobile, My Business Mobile Lease, Go Business Mobile, Go Business Data Share SIMs, Business Mobile Broadband, My Business Mobile Data, Go Business Mobile Broadband Share plans, TMB Business Share Plans, Small Business Voice and Data Packs, Easy Share Business, Easy Share Data Share SIMs and Business Performance plans (**Eligible Services**). Data Share SIMs can't be used in a mobile handset. You can also purchase a compatible SIM-ready device on an MRO, to use with any additional Data Share SIMs you may have purchased.

Telstra New Phone Feeling™

Your Plan comes with the option of Telstra New Phone Feeling™. You can take up a new eligible phone 12 months into your 24 month Plan if you pay a one-off upfront fee, return your original eligible phone undamaged and in good working order, and recontract onto an eligible 24 month service plan together with an MRO.
