Information about the service

My Business Mobile Casual plan (**Plan**) is for a post-paid mobile phone service. You'll get access to our network, a mobile phone number, be able to make and receive calls, send and receive messages, and access mobile data.

BYO Handset or Mobile Repayment Option

You can bring your own Telstra Mobile Network-compatible handset to use with the Plan. Check that your handset supports 3G-850MHz and Telstra's other mobile network frequencies to ensure you get the best possible experience on our network. Check your device manual or manufacturer's website. See telstra.com/device for more information.

You can also purchase a handset at an additional cost to use with your Plan by taking up a Mobile Repayment Option (**MRO**). Depending on the handset you choose, you may have to pay an amount upfront and make monthly interest-free repayments, which we will inform you about beforehand.

If you cancel your Plan or MRO early, you'll have to pay any remaining MRO payments and pay any Early Termination Charges (**ETC**) for your Plan.

Accessory Repayment Option

You can choose an Accessory Repayment Option (**ARO**) to buy mobile accessories, for which you'll be charged monthly interest-free payments. If you cancel your ARO, you'll have to pay the remaining cost of the accessories.

Minimum term

My Business Mobile Casual Plans do not have a minimum term (excludes any MRO or ARO contracts).

Data Sharing

Additional Data Share SIMs can be purchased for \$5/mth per SIM (limit of 5 Data Share SIMs per service). Share plans, Easy Share Business plans, Easy Share Data Share SIMs, Business Performance plans (**Eligible Services**).

Data Share SIMs cannot be used in a mobile handset. You can also purchase a compatible SIM-ready device on an MRO, to use with any additional Data Share SIMs you may have purchased.
