

StayConnected Advanced™ Service for Business.

Customer Terms

In these Customer Terms, “You” or “Your” is to be read as the Authorised Representative (or account holder) or the individual mobile user as the context requires.

1. The StayConnected Advanced for Business Service

1.01 The StayConnected Advanced for Business Service provides after-sales service and protection for your mobile phone or tablet and is provided on these terms.

1.02 StayConnected Advanced for Business includes:
 a) an Exchange, Replacement and Repair Program for mobile phones or tablets.

2. The StayConnected Advanced for Business Service is provided in addition to consumer guarantees

Our goods and services come with certain consumer guarantees and rights that cannot be excluded under the Australian Consumer Law (ACL). If you request a repair, exchange or replacement of a mobile phone or tablet as a result of a defect or failure of that device which is covered under warranty or a consumer guarantee provided under the ACL, the defect or failure will be remedied in accordance with your rights under warranty or under the ACL.

Nothing in these Terms limits those rights. When you request a repair, replacement or exchange, we will ask you to provide information about your mobile phone or tablet to help us determine if you have a claim under warranty or a consumer guarantee under the ACL. Goods provided as a replacement or exchange may be refurbished goods or contain refurbished parts.

3. Eligibility

3.01 From 27 August 2019, to be eligible for the StayConnected Advanced for Business Service you need to:

- a) buy a new mobile device listed at telstra.com/business/stayconnected, from a Telstra store or dealer:
 - i) on a Device Payment Contract; or
 - ii) outright and pay for it in full (Outright Purchase);
- b) take up an Eligible Telstra business post-paid mobile or data plan;
- c) if you are a Telstra account owner or authorised representative applying on behalf of a mobile service user, obtain the user’s consent to the Terms;
- d) register your mobile phone or tablet in the StayConnected Advanced for Business Program in full working as new condition (with proof of purchase, if requested) on the same day of the date of purchase and register the device with the Telstra-supplied SIM inserted and activated on the Telstra Mobile Network/ Wi-Fi (Registered Device); and
- e) provide us with a valid email address and any other information we reasonably request.

3.02 You may only have one Registered Device on each Telstra business post-paid mobile or tablet service. You can register multiple devices (each with a unique International

Mobile Equipment Identity number), but can only register one device per service. Each subscription will incur a separate monthly subscription fee.

3.03 You can substitute another device as the Registered Device under a StayConnected Advanced for Business subscription:

- a) where the new device was provided to you under warranty or the ACL;
- b) if you have purchased a new device from us; or
- c) with our consent (which will not be unreasonably withheld), provided that you supply us with the IMEI number of your substitute device and advise us how the device came into your possession. We may ask you to complete a statutory declaration to confirm these circumstances. Unless paragraphs 3.03a and 3.03b above apply, acceptance by us of a substitute Registered Device is at our absolute discretion.

3.04 We reserve the right not to accept your application.

4. Term

4.01 We will supply the StayConnected Advanced for Business Service to you from the date your mobile phone or tablet is registered for the StayConnected Advanced for Business Service (Commencement Date) until:

- a) you cancel the StayConnected Advanced for Business Service (by calling 13 2000, calling your Telstra Account Representative or visiting a Telstra Business Centre); or
- b) we cancel it because:
 - i) you cancel the mobile service associated with the StayConnected Advanced for Business device;
 - ii) you do not pay the fees by the due date;
 - iii) you materially breach these Terms and have not fixed that breach within 14 days of us asking you to do so;
 - iv) we reasonably suspect that you, or someone else, has engaged in fraud or criminal activity in relation to the StayConnected Advanced for Business Service provided to you. To assess this, we may ask you to give us relevant information, including a copy of your driver’s licence or other identity information or a statutory declaration; or
 - v) you sell or give the StayConnected Advanced for Business Service to another person without our consent.

4.02 For each Registered Device, StayConnected Advanced for Business will automatically transfer to the applicable new Eligible Device when you renew or Upgrade to a new contract using the existing service number, at which time the new Eligible Handset or Tablet will become your Registered Device.

5. Fees

The following fees apply to the StayConnected Advanced for Business Service (Fees):

5.01 Monthly Fee

Unless included in your plan, the Monthly Fee for your StayConnected Advanced for Business subscription Type for each Registered Device is set out in the table below. The Monthly Fee will be included on your Telstra Bill and may be pro-rated during your first and last month of enrolment or on cancellation.

StayConnected Advanced Service	Monthly fee (GST incl.)
StayConnected Advanced™ for Business	\$15

5.02 Service Fee

Subject to your rights under warranty or the ACL described in clause 02, each time you request to exchange, replace or repair a Registered Device, a Service Fee will apply, as set out below.

The amount of the Service Fee depends on the Device Tier for your Registered Device. The Service Fee will be included on your upcoming Telstra Bill, unless you choose to pay by credit card at the time you request an exchange or replacement.

You can find the Device Tier for your Registered Device at telstra.com/business/stayconnected

Service Type	Service Fee (GST incl.)
Exchange or Replace: Tier 1 – Non-smartphones	\$140
Exchange or Replace: Tier 2 – Smartphones & tablets less than \$1,500 RRP	\$190
Exchange or Replace: Tier 2 – Smartphones & tablets more than \$1,500 RRP & 2 in 1 devices	\$270
Screen Repair For Eligible Registered Devices	\$59

For device exchange only:

5.03 Device Non-Return Fee

Each time we give you a mobile phone or tablet as an exchange you must return your previous Registered Device to us, within 14 days of receiving the exchange device and by using the reply paid envelope we give you. Otherwise, a Device Non-Return Fee will apply. The Device Non-Return Fee is the fair market value cost to us to replace your previous Registered Device (or, if the make and model of your previous Registered Device is no longer available, a similar device in the same Device Tier). We will let you know what the fair market value is when you request an exchange. The applicable Service Fee will be included on your upcoming Telstra Bill and your previous Registered Device will be blocked so it can't be used on any network, and all content will be wiped. Upon payment of the Device Non-Return Fee, ownership of the device immediately reverts to you.

5.04 Locked or Disabled Devices

If you return your Registered Device to us as part of an exchange and it is disabled or locked (to a non-Telstra network or as part of a security feature), including if the 'Find my iPhone' feature is not turned off for iOS devices (Inoperable Device), we may cancel your service request. If an exchange device has already been dispatched to you under the StayConnected Advanced for Business Service, we will take reasonable steps to contact you (by phone, email or SMS) and request that you, within 14 days:

- unlock or enable the Inoperable Device or take other steps to make the device operable; or
- return the exchange device to us.

If you do not do so, we will charge you a reimbursement fee equal to the fair market value of the exchange device we have sent you. We will also return your Inoperable Device to you and charge you for the shipping.

For device exchange and replacement only:

5.05 Special Delivery & International Shipping

There is no charge for standard shipping, which is typically delivery by the next business day within capital cities and two to four business days outside capital cities. Fees apply for international delivery and for special delivery requirements (for example, non-business day delivery). We will let you know about any applicable shipping fees when you request an exchange or replacement, which will be charged to your upcoming Telstra Bill.

5.06 Credit Card Charges

We have appointed Asurion Australia as our agent to collect credit card payments for the StayConnected Advanced for Business Service. Debits to your credit card for StayConnected Advanced for Business Service payments will appear on your credit card statement as "Telstra StayConnected".

6. Your Exchange, Replacement and Repair Entitlements

6.01 In the 12 months from the Commencement Date and then in every 12 months after that, you can exchange, replace or repair a Registered Device up to 2 times provided:

- your Registered Device has the Telstra-supplied SIM inserted and has been activated on the Telstra network/Wi-Fi;
- any fees payable under these Terms are not overdue;
- you give us any information we reasonably request, such as proof of ownership and identity or a statutory declaration;
- you nominate a Telstra Business Centre or give us an address in Australia (or overseas, subject to additional fees) for delivery of any exchange or replacement device. We generally ship to your residential or business address. We may ship to other locations on request but we reserve the right not to do so. We will not ship to a post office box, a rural mail box or an address we reasonably suspect is associated with fraud;
- you agree to return your Registered Device to us (if it is in your possession at the time of making an exchange request);
- any prior exchange, replacement or repair request has been closed, including return of a previous Registered Device or payment of a Device Non-Return Fee if you previously made an exchange request;
- there are no reasonable grounds to suspect that you have engaged in any fraud or misuse of the StayConnected Advanced for Business Service indicia of which include (without limitation), where a device has not been activated on the Telstra network or has unusual or no network usage; and
- you provide us with a valid email address.

6.02 You can ask to exchange, replace or repair a Registered Device by calling 13 2000 or by visiting a Telstra Business Centre.

If an exchange, replacement or repair request cannot be finalised within 21 days because you have not, for example, provided the information we have reasonably requested, your request will be closed. You can make a new exchange, replacement or repair request.

7. Exchange and Replacement

7.01 An exchange or replacement device is a device of the same make and model, or if the same make and model is not in stock, you can:

- a) get a similar model (with certain accessories, but excluding keyboards, pens, headsets and batteries). This is a device of similar kind, quality and functionality to your Registered Device (but may not be the same brand), with the same operating system and will not be an older model than your Registered Device; or
 - b) place a priority order for a device of the same make and model as your Registered Device (if available). An exchange or replacement device may not be the same colour as your Registered Device and may be refurbished or contain refurbished parts.
- 7.02 Once you make a valid exchange or replacement request, ownership of your Registered Device immediately transfers to us and you (as the owner of the Registered Device) immediately assign to us any rights and benefits under any manufacturer's warranty for your Registered Device, to the extent that it can be assigned at law. The device will be blocked so it can't be used on any networks and all content will be wiped.
- 7.03 Unless you need to place a priority order, we will dispatch the exchange or replacement device to an address in Australia on or about the:
- a) same business day, if you make a request before 2pm (NSW AEST/AEDT) on a weekday; or
 - b) next business day, if you make a request after 2pm (NSW AEST/AEDT), on a weekend or a public holiday as held in NSW. If you place a priority order, we will advise you of the estimated delivery time when you place the priority order.
- 7.04 The device provided to you in exchange or replacement will become the Registered Device when you receive it.
- 7.05 When you request an exchange or replacement, we may ask you about the condition of your Registered Device so that we can help you make the best use of the StayConnected Advanced for Business Service. For example, you may not need to use an exchange or replacement request if a functionality issue can be addressed with basic instructions. When you request an exchange or replacement, we may attempt to locate your Registered Device and check if your Registered Device is active on the network.
- 7.06 We may also ask you to confirm that your Registered Device has been lost or stolen, to facilitate IMEI blocking using the Australian Mobile Telecommunications Association "Lost & Stolen" program.

8. Screen Repair

- 8.01 Screen Repair is available for eligible Registered Devices (excludes 2 in 1 devices) that do not have any other damage, function normally, contain genuine parts are not IMEI blocked and have all activation and device locking features disabled (Screen Repair Eligibility Criteria).
- 8.02 Where your eligible Registered Device does not meet the Screen Repair Eligibility Criteria, we will call to discuss other options, including assistance to deactivate device locks, an exchange or replacement device (if available to you), full repair or return of your unrepaid device.
- 8.03 Eligible Registered Devices that meet the Screen Repair Eligibility Criteria will be repaired and returned to you within 15 business days from lodgment of your screen repair request, except where circumstances outside Telstra's control cause a delay.

- 8.04 If you have requested a screen replacement for your eligible Registered Device, a loan device may be provided to you (including a case and battery charger or USB cable). Tablets are not eligible for a loan device. You will receive a return postage satchel with the loan phone (Return Satchel).
- 8.05 Upon receipt of your repaired Registered Device, you must use the Return Satchel to send the loan device to us (including case, battery, charger/USB cable).
- 8.06 A Loan Device Non-Return Fee will be payable if your loan device:
- a) is not returned within 14 days of receipt of your repaired Registered Device or within 19 days for Western Australia and some regional areas; or
 - b) is returned, however, is significantly damaged, disabled, locked to a non-Telstra network, IMEI blocked or has activation or device locks engaged.
- 8.07 The Loan Device Non-Return Fee will be set at the fair market value of the loan device at that time. We will let you know what the fair market value is at the time you request a loan device.
- 8.08 A fee of \$29 (including GST) will also be payable if a loan device case is damaged or not returned (Case Non-Return Fee).
- 8.09 The screen repair of your Registered Device may result in the loss of any data stored on that device. Please make sure you back up any important data on your Registered Device before giving it to us.

9. Repair

- 9.01 Except Screen Repair, as set out in clause 8, repairs are not part of the StayConnected Advanced for Business Service. However, you can ask us to repair your Registered Device at any time instead of exchanging it under the StayConnected Advanced for Business Program. Unless the repair is covered under warranty or a consumer guarantee under the Australian Consumer Law, the Telstra Mobile Device Repair terms and conditions will apply, including that you must pay the applicable repair fees. We will provide a copy of these terms and conditions on request.
- 9.02 The repair of your Registered Device may result in the loss of any data stored on that device. Please make sure you back up any important data on your Registered Device before giving it to us. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

10. Privacy

Your personal information as a StayConnected Advanced for Business Service customer will be handled in accordance with the terms of Telstra's Privacy Statement available at telstra.com.au

Telstra can disclose your personal information to Asurion Australia Pty Ltd and its related bodies corporate and each of their representatives, which may extend to other jurisdictions in which they operate, such as the United States, Philippines and Hong Kong, so that it can assist in administering the StayConnected Advanced for Business Service.

This information may include details to confirm your identity as a StayConnected Advanced for Business Service customer, your email address, telephone number for all Registered Devices and the type, make, model, IMEI and warranty start and end dates for your Registered Devices.

11. Liability

To the extent permitted by law, we do not accept liability to you for any losses:

- 11.01 resulting from the use of the StayConnected Advanced for Business Service in connection with a business such as lost profit and consequential loss. If that liability cannot be excluded but can be limited at law, we limit our liability to resupplying, repairing or replacing the relevant goods or services (or paying the cost of resupply, repair or replacement) where it is fair and reasonable to do so;
- 11.02 that you cause (for example, through your negligence or breach of contract);
- 11.03 resulting from your failure to take reasonable steps to avoid or minimise your loss; and

- 11.04 that we cause by failing to comply with our obligations because of events outside our reasonable control (for example, a failure in equipment that we don't own or operate).

12. Passwords

We will issue or you will select keywords, usernames or passwords for the StayConnected Advanced for Business Service. You are responsible for keeping these secure and you must not disclose them to anyone. We will not be responsible for any loss, damage or costs that you incur because of the use of your keywords, usernames or passwords, whether authorised by you or not, unless the use was our fault.

If you become aware that any of your security codes are no longer private and confidential, you must let us know immediately and change these codes.

13. Varying the Terms

We may change these terms and conditions at any time unless we think it is of a material detriment in which case we will give you reasonable written notice.
