

MOBILE BUSINESS APPLICATIONS MONTH-TO-MONTH GEOOP

INFORMATION ABOUT THE SERVICE

GeoOp is a Mobile Business App. Mobile Business Apps are a range of applications designed to increase business productivity and can be accessed on compatible mobile handsets and tablets with an internet connection (**Compatible Devices**). You can purchase Mobile Business Apps licences from Telstra's T-Suite® web-based portal.

GeoOp is a subscription service which helps you to manage your job dispatch process. Your authorised administrator can identify the location of your field workforce, subject to the number of subscriptions you have, and schedule jobs to a field workforce member with a subscription and a Compatible Device.

T-Suite

The T-Suite web-based portal enables you to purchase and manage various software applications that we make available from time to time.

You need an internet connection to access the T-Suite portal.

To start using the T-Suite portal, visit the T-Suite services website and create an account for your organisation.

You may need to meet minimum system requirements to use certain T-Suite software applications, which will be set out on telstra.com/t-suite and Our Customer Terms. You're responsible for ensuring that you meet these requirements.

Minimum term

Casual (month to month plan). There is no fixed or minimum term.

Compatible Devices

Your users need a Compatible Device with compatible browser software to access GeoOp on their device.

You can view the current list of Compatible Devices and compatible browser software on telstra.com/t-suite

What's included

The GeoOp application is a job dispatch application which enables your authorised administrator to identify the location of your field workforce, subject to the number of subscriptions you have and schedule jobs to the relevant member of your workforce with a Compatible Device.

What's not

To access GeoOp, each user will need to download the GeoOp application from their Compatible Device's application store. Data charges will apply.

Important information

Each licence can be used on one Compatible Device. If a user wants to access GeoOp on a number of Compatible Devices, additional licences will be required. You must maintain copies of all data you input into GeoOp.

INFORMATION ABOUT PRICING

Your minimum monthly charge

You need to take up a user licence for each intended user of a Mobile Business App.

Mobile Business App	Number of users	Price (per month, per user)
GeoOp	1+	\$20

You will get the first 30 days free for each licence you subscribe to in your first order (Up to a maximum of 399 licences). At the end of the first 30 day period, your subscription for each licence will automatically be renewed on a month-to-month basis until you cancel your subscription.

You may cancel your subscription for a licence at any time.

If you cancel a licence you will be charged the minimum monthly charge on a pro rata basis for that month.

Installation and set up

Installation and set up of GeoOp is not included in your licence fee. If you need help setting up and installing GeoOp you may be eligible to take up our Professional Services for an additional charge. You can choose from:

- Standard Professional Services which includes basic set up and installation; or
- Custom Professional Services which are ad hoc services provided to you as required.

The price depends on the type of Professional Services you require. We will confirm the price with you before providing the Professional Services.

For more information contact 1800 T-SUITE (1800 878 483).

Early Termination Charge

There is no Early Termination Charge.
