If you want to check your usage, you can register and login to My Account at telstra.com/myaccount

Connection timeframes

Once we've accepted your application, we'll try to connect your home phone service on the date you ask for, but this might not always be possible.

If there has been a previous working home phone service at your property and we can reconnect it without having to visit your property, the local telephone exchange or anywhere in between, then we aim to connect the service within 2 working days of your request. If this isn't possible, then we aim to connect your service within 5 to 15 working days, depending on your location.

If you or someone living in your home has a diagnosed life threatening medical condition and your life may be at risk without access to a home phone service, you can request to be a Priority Assistance customer. We aim to connect Priority Assistance customer's home phone service within 24 hours of being asked in urban and rural areas, or within 48 hours in remote areas.

Billing

The figures in this Critical Information Summary are for a full billing cycle but your first bill may include pro rata charges for part of the month if you started or changed your plan part way through a billing period – refer to the 'Important information about your first bill' section below for more information.

Your monthly bill

On the same day of each month, we will bill you in advance for the minimum monthly charge and in arrears for calls, SMS and features. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.

Important information about your first bill

When you first start a plan or change your plan part way through a billing period, your first bill will have additional charges. It will include your minimum monthly charge in advance, plus a proportion of your minimum monthly charge based on the number of days left in the billing period.

Managing unwanted calls

If you'd like to see who is calling before you pick up the phone, Telstra's Calling Number Display feature can help. For pricing and details on Telstra's range of features, please visit telstra.com

To reduce unwanted calls from businesses you have no relationship with, you can register your service on the Do Not Call Register which is managed by the Australian Communications and Media Authority on behalf of the Federal Government. For more details, please visit donotcall.gov.au

We're here to help

Please visit telstra.com/contactus if you have questions about your offer, technical support, service or connection. Alternatively you can call us on 13 2200 or 133 677 (TTY).
