Information about the service

Your Go Mobile Plus BYO Online plan (**Plan**) is for a post-paid mobile phone service. You must continue to meet the eligibility criteria to receive this Plan.

It gives you access to our network, a mobile phone number, lets you make and receive calls, send and receive messages, and access mobile data. Your Plan allows you to share mobile data between other eligible plans on the same account.

Online eligibility

To be eligible to take up the Plan you must, within 30 days of activation of your service:

- sign up to electronic billing;
- sign up to direct debit;
- activate MyAccount; and
- download the Telstra 24x7® App.

To remain eligible you will need to continue to self-service via the Telstra self-care channels for the duration of your Plan. Failure to comply with any of these conditions may result in being moved to an equivalent BYO plan with a \$10 increase in your minimum monthly charge.

BYO handset

You can bring your own (**BYO**) Telstra Mobile Network compatible handset to take up this Plan. Be sure to check that your handset supports 3G-850MHz and both 4G 1800MHz and 4G 700MHz banding, to ensure you get the best possible experience on the Telstra Mobile Network. Check your device manual or manufacturer's website.

Device Payment Contract

You may purchase a new eligible handset to use with your Plan, and pay off that handset over 12 interest-free monthly payments with a Device Payment Contract.

Minimum term

12 months.
