Your plan has International Roaming already activated (unless you're recontracting with your existing number, or have chosen to opt out). Using your service overseas costs more so you will be charged separately for this usage.

The main charges that apply while overseas are:

- calls and SMS, which can be found at telstra.com.au/mobile-phones/international-roaming/availability-pricing
- mobile data– \$3 per MB (charged per KB or part thereof).

When you arrive in an overseas country, you will receive SMS alerts about International Roaming. These alerts will notify you of the cost of using your service overseas as well as how to stop roaming.

Visit telstra.com/manageirusage for information on spend management tools while you're overseas. To de-activate international roaming, call us on 12 5109.
