Information about the service

Your Telstra Premium Mobile Plus plan (**Plan**) is for a post-paid mobile phone service. It gives you access to our network, a mobile phone number, lets you make and receive calls, send and receive messages, and access mobile data. Your Plan allows you to share data between other eligible plans on the same account.

Device Payment Contract

You must purchase a handset to use with your Plan and pay it off over 24 interest-free monthly payments. Because your Plan and Device Payment Contract have the same start date and 24-month term, you'll receive a monthly credit. If you cancel early the remaining handset payments will be higher as you'll no longer receive a credit.

Minimum term

24 months.

Monthly Calls (domestic)
