## Information about the service

Your Go Mobile Plus BYO plan (Plan) is for a post-paid mobile phone service. It gives you access to our network, a mobile phone number, lets you make and receive calls, send and receive messages, and access mobile data. Your Plan allows you to share mobile data between other eligible plans on the same account.

### BYO handset

You can bring your own (BYO) Telstra Mobile Network compatible handset to take up this Plan. Be sure to check that your handset supports 3G-850MHz and both 4G 1800MHz and 4G 700MHz banding, to ensure you get the best possible experience on the Telstra Mobile Network. You can find your handset banding in your device manual or manufacturer's website.

### Device Payment Contract

You may purchase a new eligible handset to use with your Plan, and pay off that handset over 12 or 24 interest-free monthly payments with a Device Payment Contract.

If you cancel your Plan or Device Payment Contract before the end of your Device Payment Contract term, you'll need to pay the balance of any remaining handset payments.

### Minimum term

12 months

### Monthly Calls

#### Monthly Calls

Your Monthly Calls are set out in the table above. Your Monthly Calls can be used in Australia for calls to standard Australian numbers, as well as most 11xx, 12xx, 13xx and 1800 numbers. If your Monthly Calls are not unlimited, your unused Monthly Call allowance expires each month.

#### International Monthly Calls and SMS from Australia

If you have a \$79 Plan, it includes unlimited International calls and SMS from Australia to standard fixed and mobile numbers in Bangladesh, Canada, China, Hong Kong, India, Lebanon, Malaysia, New Zealand, Pakistan, Singapore, South Korea, Sri Lanka, UK, USA and Vietnam (Eligible Countries).

If you have a \$99 Plan your plan includes unlimited International Calls and SMS from Australia to standard fixed and mobile numbers in all countries.

### Monthly Data

Your Monthly Data is set out in the above table and gives you access to the internet in Australia. Your unused Monthly Data expires each month. You can share your Monthly Data allowance with eligible data share services on the same account.

Eligible data share services are Go Mobile Plus plans, Go Mobile Plus BYO plans, Go Mobile Plus Casual plans, Go Mobile BYO plans, Go Mobile BYO, Go Mobile Casual plans, Everyday Connect Shared Data plans, Mobile Accelerate Shared Data plans, and up to 5 Data Share SIM plans or Companion plans (Eligible Services).

### Extra Data

If you use more than your shared Monthly Data allowance, we will automatically add extra data to your service in blocks of 1GB for \$10 (Extra Data). If you go over your Extra Data, we will automatically add another block of 1GB for \$10. Extra Data is for use in Australia and expires at the end of your billing month and is shared with any Eligible Service on your account.

If you use your mobile for things not included in your Plan or exceed your Monthly Data allowance, you'll have to pay more than your minimum monthly charge set out in the above table.

### Accessory Repayment Option

You can choose an Accessory Repayment Option (ARO) to buy mobile accessories. You'll be charged for your accessories in interest-free monthly payments. If you cancel your ARO, you'll have to pay the remaining cost of the accessories. Only available at selected Telstra stores and partners.
