

Tech Savvy Seniors - Participating Libraries

Training in public libraries is offered in a range of languages: English, Arabic, Cantonese, Dari, Hindi, Greek, Italian, Mandarin and Vietnamese.

This program will assist seniors aged over sixty from non English speaking backgrounds who have had limited or no previous experience in using technology to learn new skills for the future. The training is free and will help older people to access information and stay connected with their family, friends and communities.

Contact one of these libraries for further information on training dates, topics and locations.

To find out more about training locations or to watch easy to follow self teach videos, visit the websites: seniorscard.nsw.gov.au or telstra.com.au/tech-savvy-seniors

Tech Savvy Seniors is an initiative of the NSW Ageing Strategy and is funded through a partnership between the NSW Government and Telstra.

Tech Savvy Seniors - Participating Community Colleges

Training in community colleges is offered in English.

The program will assist seniors aged from sixty years who have had limited or no previous experience in using technology to learn new skills for the future.

The training is low-cost and will help older people to access information and stay connected with their family, friends and communities.

Contact one of these Colleges for further information on training dates and locations.
