

LET'S WORK™

The Telstra Business Catalogue – Valid 31 October to 25 December 2017

**Make the most
of every opportunity
this Christmas.**

Enjoy Christmas knowing business is being taken care of.

With the latest tech, tools and expert advice, all on Australia's largest mobile network, your business will work in more places, with Telstra. So, whether you're in the country or at the beach, you can relax this holiday season.

Discover the possibilities at telstra.com/bethatbusiness

A network that works even when you're away

With over 1 million Telstra Air® Wi-Fi hotspots across the country and Australia's largest mobile network, we have you covered wherever you are this holiday season.

Latest device. Fastest mobile network.

Keep your business looking as good as it performs. Telstra's super fast network means you can get the most from the latest technology such as the new Google Pixel 2™

Fastest mobile network based on national average combined 3G/4G mobile speeds.

Expertise where you need it

With 1,000 Business Specialists across our stores, we're here to give you expert advice, face-to-face, to help keep your business running efficiently and smoothly.

Over 25 years of rewarding business

We're committed to recognising, rewarding and empowering Australia's best small and medium businesses, like our 2017 Australian Business of the Year award winner, GenWise Health.

Treat your team this Christmas

We've prepared some special experiences to share with your family or team this Christmas through our loyalty program, Telstra Thanks®. Access exclusive prices to the movies, sporting events, music events and more.

nbn™ services not available to all areas or premises.

MOBILES & MOBILE BROADBAND GENERAL

Telstra 4G and 4GX

Speeds vary for reasons like location, distance from base stations, terrain, user numbers, hardware/software configuration, download source and upload destination. If multiple users connect, speeds will be less.

4G Devices

Some location-based services currently only work with 3G. Your phone may switch to 3G or you may have to manually enter your location to access these services.

MY BUSINESS MOBILE PLANS

4-9

My Business Mobile plans

If you cancel early, your remaining device payments and total min cost may be higher.

My Business Mobile Lease plans

You must lease an eligible phone for 24 months. You don't own the phone, and must return it at the end of the lease unless you make an offer to purchase it. If your lease is cancelled within 12 months, you must pay the remaining lease payments. If your lease is cancelled after 12 months, you can return the phone and pay \$99 if in good working order. Additional fees up to \$499 apply if you return a damaged phone, the locking features have not been disabled, you cancel your lease early and return a damaged phone or you don't return your phone at the end of your lease. Learn more about leasing at telstra.com.au/small-business/mobile-phones/my-business-mobile-lease

Calls/SMS/MMS to premium numbers are not included. Allowances expire monthly. Any International call inclusions are for standard fixed and mobile numbers in eligible countries. See rates at telstra.com.au/home-phone/international-calling
