VOICE2TEXT™

Sometimes it's just not convenient to listen to your voice messages. With Voice2Text, you can get your voice messages without dialling into your MessageBank®. You will receive your voice messages as an SMS message so you can either SMS a reply or return the call directly from the message.

OR MESSAGEBANK® PLUS FOR IPHONE™

If you have an Apple® iPhone you don't have to call MessageBank to listen to your messages. You can review your messages on your phone and read them when you're ready, just like an email.
