

# Mobile Worksuite Quick Start Guide.

How to access your discount for Mobile Worksuite.

## What you'll need to get started.

- Your Australian driver's licence or Australian passport.
- Already a Telstra customer? You'll need your Telstra account number and existing contract details.
- If not, you'll need your ABN or ACN to create a new account. Register to manage your services online at [telstra.com.au/small-business/self-service](https://telstra.com.au/small-business/self-service)

You won't need to pay yet. We'll invoice you later.

Your discount will be applied to your monthly Telstra bill.

### 1 Choose your device + plan bundle.

Visit [telstra.com.au/mobileworksuite](https://telstra.com.au/mobileworksuite)

Choose from one of these bundles:

- Microsoft Surface.
