

TELSTRA PRE-PAID MOBILE BROADBAND

INFORMATION ABOUT THE SERVICE

Your offer is for a Telstra Pre-Paid Mobile Broadband service. It gives you access to your own personal internet connection on the Telstra Mobile Network.

Device pack or SIM Starter Kit option

Simply buy a Telstra Pre-Paid or Mobile Wi-Fi or USB + Wi-Fi device which includes a SIM card.

If you have a Telstra Mobile Network compatible device or tablet you can buy a Telstra Pre-Paid Starter Kit available in micro, nano and full size. Make sure you also check which SIM is the correct size for your Telstra mobile network compatible device and isn't locked to another network. Check that your device supports 3G-850MHz to ensure you get the best possible experience on the Telstra Mobile Network. See telstra.com/device for more information.

Activation

To get started you'll need to activate your SIM Card online at telstra.com/activate. Make sure you have your new service number or SIM serial number – you'll find this on the packaging.

What's included

Depending on the amount you recharge, you'll get recharge credit and included data to use in Australia. Once you've used your included data, you'll be charged the PAYG rate of \$2/MB from your recharge credit.

You can also use your recharge credit for data while you're overseas and to send SMS and MMS to standard Australian and International numbers or to buy content or subscription.

What's not

Your included data can't be used while you're overseas.

INFORMATION ABOUT PRICING

These are the recharge options available once you have activated your Telstra Pre-Paid Mobile Broadband service.

Recharge	Recharge credit	Data	Expiry
3 Day pass \$10	\$10	1GB	3 day expiry
Week pass \$20	\$20	2GB	7 day expiry
Month pass \$30	\$30	3GB	30 day expiry

- MMS to international numbers – 75¢ per message sent per recipient.

OTHER INFORMATION

Using your data

Data usage is the amount of data you use (ie upload and download) to access the internet via your Telstra Pre-Paid Mobile Broadband service.

It's important to note that, when you buy content or subscriptions, additional charges apply. You'll usually be notified before you're charged.

Data usage

Anytime you want to track your usage, credit expiry or recharge you can use the options listed:

- register for My Account online at telstra.com/myaccount
- download the Telstra 24x7® App from you iPad, iPhone or Android® device
- visit telstra.com while your device is connected to the internet
- on selected devices, select the My Account icon from your Telstra Connection Manager only.

Recharge

You can use your credit/debit card, recharge voucher (available from a Telstra or partner store) using one of the above options.

Using your service overseas

International Roaming is automatically activated on your Telstra Pre-Paid Mobile Broadband service and you can use your recharge credit for data overseas.

The cost of using your service overseas is higher than in Australia.

Here are the main charges that apply:

- **data while overseas** – \$3 per MB (charged per KB or part thereof).

We recommend you consider one of our International Roaming Browse Plus Packs which provide a set amount of data to use in selected countries for 30 days. These are available at telstra.com/roaming/prepaidpacks

Before you travel overseas
