- 11.2 You can access the Call Connect service from eligible pre-paid and post-paid mobile services by dialling 12456 and for a limited time, 12455. If you dial 12455 to access Call Connect, the call will be represented on your bill as a call to 12456.
- 11.3 The operator will only make one connection attempt to the requested number.

#### Charges

### Part D – Other Call Types

- 11.4 We charge you the following charges when you call Call Connect. We charge you the Call Connect fee even if we cannot find a number. We charge you the attempted connection charge for successful connection and attempted connection to the requested number, even if the number does not answer or is busy or the attempted connection is otherwise unsuccessful.

Call Connect	GST incl.
Fee for each call to Call Connect (or Call Connect fee)	<b>\$2.30</b>
Attempted connection charge (for successful and attempted connection to requested number)	<b>\$1.50</b>

- 11.5 If you are a Telstra post-paid mobile customer, in addition to the Call Connect fee and attempted connection charge set out in clause 11.4, we also charge you:

- (a) the call charges and connection fees applicable under your pricing plan to connect to the Call Connect operator; and
- (b) the call charges and connection fee applicable under your pricing plan for the call connected to the requested telephone number.

- 11.6 If you are a Telstra Pre-Paid mobile customer, in addition to the Call Connect fee and attempted connection charge set out in clause 11.4 above, we also charge you:

- (a) the standard call connection fee on connection to the operator and airtime charges applicable under your pricing offer (charged per second spent with the operator); and
- (b) the call charges and connection fee applicable under your pricing offer for the call connected to the requested telephone number.

- 11.7 If you ask to be connected to your requested number, the time specified on your bill as the time that connection was attempted will be in Sydney, NSW local time regardless of the location from where the call to Call Connect was made. All other times specified for calls to Call Connect will be in the local time of the area from where the call to Call Connect was made.

#### Service provided on Call Connect

- 11.8 If you are searching for a known business name or a White Pages listing, connection by the operator to the requested number is mandatory. If you are searching for a type of business (i.e. plumber, hairdresser) or a Yellow Pages listing, connection by the operator to the requested number is optional.
- 11.9 If you are searching for a type of business (as opposed to a business name or residential listing) you can receive up to three Yellow Pages referrals from the operator.

### Part D – Other Call Types

#### Text message to Call Connect callers

- 11.10 When you call Call Connect, we will send you a text message with information about the person or business you have requested (provided your mobile phone is capable of receiving SMS). This information may include the contact details of the requested person or business (including the name, and number), information about the goods and services the requested business provides (including general information, such as opening times, or information about offers), other material about the requested business, information about specific Telstra products relevant to your request or the requested business, and access to other content relevant to the requested person or business (such as maps and links to the requested business' website). Standard charges (if any) will apply to accessing content provided to you in that text message (such as maps).
- 11.11 In addition to information and content set out in clause 11.10, we may include a survey to obtain your feedback and marketing or community-focussed information about us or other businesses, government agencies or community organisations in the text message we send to you. If you do not wish to receive this marketing information from us in future text messages from Call Connect, you can opt-out by replying "no" to the text message. If you opt-out of receiving this marketing information, you will continue to receive the types of information outlined in clause 11.10 in future text messages from Call Connect.

#### Excluded searches

- 11.12 You cannot use Call Connect to connect to:
- (a) a Silent Line;
  - (b) a service that is not listed in our White Page or Yellow Pages directory database; or
  - (c) some enhanced services like 0500, InfoCall 190 services, directory assistance calls, calls to pagers and ships at sea.

Goods or Services you buy from service providers you locate through Call Connect

- 11.13 Where you use Call Connect to connect to a number, and you subsequently acquire goods or services from a service provider at that number, the relevant goods and services are provided by that service provider and not by us. Subject to the Australian Consumer Law provisions in the General Terms of Our Customer Terms, we offer no warranty for those goods or services, and accept no liability for them.

#### Acceptable use of Call Connect

- 11.14 You must not use Call Connect or allow your officers, employees, contractors, agents or anyone else to use Call Connect in a manner that a reasonable person would regard as menacing, offensive or harassing, or which is otherwise illegal or likely to be found illegal.

### Part D – Other Call Types

- 11.15 If you use Call Connect or allow another person to use Call Connect in the manner described in clause 11.14, we may terminate your access to Call Connect without notice to you.
- 11.16 We may, in our discretion, suspend access to Call Connect from any telephone service which has been used in the manner described in clause 11.14.

## 12 Call Connect SMS service

### What is the Call Connect SMS service?

- 12.1 You can send an SMS to 1-2-4-5-6 or 1-2-4-5-5 to request information listed in the White Pages and Yellow Pages directories, including most telephone numbers and addresses and other information such as (but not limited to) business operating hours and web addresses. If you SMS 1-2-4-5-5 to access Call Connect, the SMS may be represented on your bill as an SMS to 1-2-4-5-6.
- 12.2 You can access the Call Connect SMS service from eligible pre-paid and post-paid mobile services by sending an SMS to 1-2-4-5-6 or 1-2-4-5-5.
- 12.3 Each Call Connect SMS service comprises:
- (a) an SMS sent by you to Call Connect containing your request for information (“**Listing Request**”); and
  - (b) an SMS sent by us to you containing:
    - (i) the results of your Listing Request;
    - (ii) notification that no results are available for your Listing Request; or
    - (iii) a request for you to SMS Call Connect with further information in order for us to complete your Listing Request and either send you the results of your Listing Request or send you notification that no results are available for your Listing Request,
- (collectively, the “**SMS Response**”).

### Request for further information

- 12.4 If we send you an SMS with a request for further information in order for us to complete your Listing Request, you must SMS the further information requested to Call Connect if you want us to send you the results of your Listing Request. Your SMS providing further information and our SMS to you with the results of your Listing Request will be considered part of the original Listing Request, and you will only be charged one Call Connect SMS service fee.

### Part D – Other Call Types

#### Charges

- 12.5 The charges that apply each time you use the Call Connect SMS service are set out below.

Call Connect SMS service fee	GST incl.
Fee for SMS to Call Connect (or Call Connect fee)	\$2.30

- 12.6 You will be charged the Call Connect SMS service fee even if:
- (a) we cannot find information that corresponds to your search criteria;
  - (b) you cancel the Listing Request before it has been processed; or
  - (c) you do not receive the SMS Response from us because of a fault or problem outside our reasonable control.
- 12.7 You will be charged the Call Connect SMS service fee each time you send an SMS to Call Connect that we reasonably consider to be abusive, a nuisance or otherwise inappropriate, or where you have accidentally sent a text message to the Call Connect SMS service. We may send you an SMS to let you know that we consider your SMS to be abusive, a nuisance or otherwise inappropriate.
- 12.8 You will not be charged for using the Call Connect SMS service if you send an SMS to Call Connect that is blank.

#### Service delivery

- 12.9 Once we have sufficient information from you to process your Listing Request, we will search our databases for information which matches the search criteria listed in the Listing Request. We will send you an SMS with the result.
- 12.10 If your Listing Request returns multiple results, we will provide you with a SMS Response containing up to 3 of the most relevant results, as determined by us, depending on the nature of the query, an analysis of the information returned and the type of information requested. The SMS Response may include the contact details of the requested person or business (including the name, and number), information about the goods and services the requested business provides (including general information, such as opening times, or information about offers), other material about the requested business, information about specific Telstra products relevant to your request or the requested business, and access to other content relevant to the requested person or business (such as maps and links to the requested business' website). Standard charges (if any) will apply to accessing content provided to you in that text message (such as maps).

### Part D – Other Call Types

- 12.11 If we do not find any results that match your Listing Request, we will send you a SMS Response to tell you this.
- 12.12 If the information you are looking for is not listed in the SMS Response that we send to you, you will need to send us a new Listing Request containing more precise search criteria. This will constitute a new Call Connect SMS service.
- 12.13 All SMS that we send (including the SMS Response) will be sent to the mobile number from which the initial Listing Request was sent and may also contain a survey to obtain your feedback and marketing or community-focussed information. If you do not wish to receive this marketing information, you can opt-out by replying “no” to the text message. If you opt-out of receiving this marketing information, you will continue to receive the types of information outlined in clause 12.10 in future text messages from Call Connect.
- 12.14 Subject to the Australian Consumer Law provisions in the General Terms of Our Customer Terms, we offer no warranty that the information you request is correct or current and accept no liability for any inaccuracies.

#### **Excluded services**

- 12.15 Listing Requests cannot be initiated or sent from a mobile service which is not connected to Telstra’s mobile network.

#### **Goods or services you buy from services providers located through Call Connect**

- 12.16 Where you use the Call Connect SMS service to request a number, and you subsequently acquire goods or services from a service provider at that number, the relevant goods or services are provided by that service provider and not by us. Subject to the Australian Consumer Law provisions in the General Terms of Our Customer Terms, we offer no warranty for those goods or services, and accept no liability for them.

#### **Fair and reasonable use of the Call Connect SMS Service**

- 12.17 Your use of the Call Connect SMS service must be fair and reasonable. This means that you must not use the Call Connect SMS service for the purposes of data mining or other forms of commercial exploitation.
- 12.18 You must also not use the Call Connect SMS service to further any unlawful, indecent, obscene or otherwise inappropriate purpose. We may, at our reasonable discretion, refuse your Listing Request on these grounds.

#### **Acceptable use of Call Connect**

- 12.19 You must not use Call Connect or allow your officers, employees, contractors, agents or anyone else to use Call Connect in a manner that a reasonable person would regard as menacing, offensive or harassing, or which is otherwise illegal or likely to be found illegal.

### Part D – Other Call Types

- 12.20 If you use Call Connect or allow another person to use Call Connect in the manner described in clause 12.19, we may terminate your access to Call Connect without notice to you.
- 12.21 We may, in our discretion, suspend access to Call Connect from any telephone service which has been used in the manner described in clause 12.19.

## 13 1234

### What is the 1234 service?

- 13.1 The 1234 service is a premium operator call connection and information service. By dialling the numbers 1-2-3-4 you will be able to:
- (a) request information from the White Pages, and Yellow Pages directories about most residential customers and businesses listed in those directories, including most telephone numbers and addresses and other information such as (but not limited to) business operating hours and web addresses; and/or
  - (b) request factual information, such as opening hours, timetables, information about events, product queries, movie information, world times, dialling codes, weather forecasts and other factual information
- 13.2 In relation to directory information requested under 13.1(a), you can also be connected to your requested residential or business number. In relation to information requested under 13.1(b), you may also be able to be connected to a relevant phone number. For example, if you request movie information, you may be connected to the relevant cinema.
- 13.3 In relation to information you request through the 1234 service, while we use care and skill in providing the service, subject to the Australian Consumer Law provisions in the General Terms of Our Customer Terms, we offer no warranty that this information is correct or current and accept no liability for any inaccuracies.

### Charges

- 13.4 We will charge you the 1234 fee even if we cannot find the information requested. We will charge you the attempted connection charge for successful connection and attempted connection to the requested or relevant number, even if the number does not answer, is busy or the attempted connection is otherwise unsuccessful.

1234 charges	GST incl.
Fee for each call to 1234 (or 1234 fee)	<b>\$2.30</b>
Attempted connection charge (for successful and attempted connection to requested or relevant number)	<b>\$1.50</b>

### Part D – Other Call Types

13.5 If you are a Telstra post-paid mobile customer in addition to the 1234 fee and attempted connection charge set out in clause 13.4, we also charge you:

- (a) the call charges and connection fees applicable under your pricing plan to connect to the 1234 operator; and
- (b) the call charges and connection fee applicable under your pricing plan for the call connected to the requested telephone number.

13.6 If you are a Telstra Pre-Paid customer, in addition to the 1234 fee and attempted connection charge set out in clause 13.4, we also charge you:

- (a) the standard call connection fee on connection to the operator and airtime charges applicable under your pricing offer (charged per second spent with the operator); and
- (b) the call charges and connection fee applicable under your pricing offer for the call connected to the requested telephone number.

13.7 If you ask to be connected to your requested number, the time specified on your bill as the time that connection was attempted will be in Sydney local time regardless of the location from where the call to 1234 was made. All other times specified for calls to 1234 will be in the local time of the area from where the call to 1234 was made.

#### **Excluded connections**

13.8 You cannot use the 1234 service to connect to:

- (a) a service with a Silent Line; or
- (b) a service that is not listed in our directory assistance database; or
- (c) some enhanced services like 0500, directory assistance calls, calls to pagers and ships at sea.

#### **Excluded services**

13.9 You cannot call the 1234 service by dialling the numbers 1-2-3-4 from a mobile service which is not connected to Telstra's mobile network.

#### **Text message to 1234 callers**

13.11 When you call 1234, we will send you a text message responding to your request (provided your mobile phone is capable of receiving SMS). The SMS will contain information which may include the contact details of the requested person or business (including the name and number), information about the goods and services the requested business provides (including general information, such as opening times, or

### Part D – Other Call Types

information about offers) and/or the relevant ‘fact’ requested, other material about the re  
or t ted person or  
business (such as maps and links to the requested business’ website). Standard charges  
(i  
maps).

- 13.12 In addition to information and content set out in clause 13.11, we may include a survey to obtain your feedback and marketing or community-focussed information about us or other businesses, government agencies or community organisations in the text message we send to you. If you do not wish to receive this marketing information from us in future text messages from 1234, you can opt-out by replying “no” to the text message. If you opt-out of receiving this marketing information, you will continue to receive the types of information outlined in clause 13.11 in future text messages from 1234.

#### **Goods or services you buy from services providers located through 1234**

- 13.13 If you use 1234 to request and/or connect to a number, and you subsequently acquire goods or services from a service provider at that number, the relevant good and services are provided by that service provider and not by us. Subject to the Australian Consumer Law provisions in the General Terms of Our Customer Terms, we offer no warranty for those goods or services, and accept no liability for them.
- 13.14 Any purchase by you of goods or services from us directly through the 1234 service will be subject to specific terms and conditions, as notified by us from time to time.

#### **What are Operator assisted calls on 1234**

- 13.15 National and international operator assisted calls including particular person calls and station calls are also available via the 1234 service.
- 13.16 For operator assisted calls, we charge you the 1234 fee set out above from when you connect to the 1234 operator until the call is transferred to the operator who will assist with the operator assisted call. The call charges for operator assisted calls then apply.
- 13.17 We charge you a surcharge for each operator assisted call made from a mobile service as applicable under your pricing plan. The surcharge is payable from the time you are connected to Operator Assistance from 1234
- 13.18 Operator Assisted calls are not available to Telstra Pre-Paid Plus customers.

#### **Fair and reasonable use of 1234**

- 13.19 Your use of the 1234 service must be fair and reasonable. This means that you must not use the 1234 service for the purposes of data mining or other forms of commercial exploitation. The operator will therefore limit your referral requests to a maximum of three White Pages and Yellow referrals.

### Part D – Other Call Types

- 13.20 You must also not use the 1234 service to further any unlawful, indecent, obscene or otherwise inappropriate purpose. The operator may, at its reasonable discretion, refuse your information or referral request on these grounds.

#### Requests for factual information

- 13.21 Fair and reasonable requests for factual information pursuant to 13.1(b) will always receive a response. We will, if possible, provide a single precise answer to a request. If the request has a number of answers, Telstra will choose the most appropriate answer that responds to your request.
- 13.22 The 1234 service allows you to request factual information. Requests that are not of a strictly factual nature may receive a response that contains factual information. However, Telstra will not provide a response that comprises an opinion. For example, we will not provide a response to a question that requires a medical opinion but instead may provide the contact details for a hospital.

#### Acceptable use of 1234

- 13.23 You must not use the 1234 service or allow your officers, employees, contractors, agents or anyone else to use the service in a manner that a reasonable person would regard as menacing, offensive or harassing, or which is otherwise illegal or likely to be found illegal.
- 13.24 If you use the 1234 service or allow another person to use the service in the manner described in clause 13.23, we may terminate your access to the 1234 service without notice to you.
- 13.25 We may, in our discretion, suspend access to the 1234 service from any telephone service which has been used in the manner described in clause 13.23.

#### Information sourced from the Internet

- 13.26 We may source information from the internet when responding to your request through the 1234 service.

### Part D – Other Call Types

- 14.5 The optional features you are ordering with your Telstra PTT solution (including any additional fees for those optional features) are set out in your application form or separate agreement with us.

#### **Applicable terms**

- 14.6 The following terms apply to your (and your End Users') receipt and use of the Telstra PTT solution:
- (a) the terms set out in this clause 14;
  - (b) in relation to training and other implementation phase professional services that form part of your Telstra PTT solution, the terms set out in the [Professional Services section of Our Customer Terms](#);
  - (c) any terms set out in your Application Form(s) for your Telstra PTT solution; and
  - (d) the Telstra PTT Client App end user licence agreement, as amended from time to time, available via the Telstra PTT Client App and on request from us (**PTT EULA**).
- 14.7 If there is any inconsistency between the terms set out in a document listed in clause 14.6, the terms set out in the document listed higher in clause 14.6 will prevail to the extent of that inconsistency.

#### **Compatibility**

- 14.8 For optimum performance of Telstra PTT, we recommend that you use Telstra PTT with devices that have been certified by us and our Third Party Supplier as compatible with our mobile network and Telstra PTT ("**Certified Devices**").
- 14.9 You may be able to use your Telstra PTT solution with devices that have been certified by us as compatible with our mobile network and have also been certified by our Third Party Supplier as compatible with the Motorola Solutions Kodiak Platform in either Australia or other markets globally where the Kodiak platform operates ("**Partially Certified Devices**").
- 14.10 You must not use Telstra PTT with devices that are not Certified Devices or Partially Certified Devices.
- 14.11 A list of Certified Devices and Partially Certified Devices is available on request.
- 14.12 Subject to the Australian Consumer Law provisions in the General Terms of Our Customer Terms, we do not guarantee that Telstra PTT or any part of it will work as intended, or be compatible, with Partially Certified Devices.
- 14.13 We only provide support (as described in clauses 14.26 and 14.27) for Certified Devices and Partially Certified Devices.

### Part D – Other Call Types

#### PTT Client App

- 14.14 To use Telstra PTT on a mobile device you will need to have the PTT Client App installed on that mobile device. The PTT Client App is available to download from the Google Play or Apple App stores, or in some cases the PTT Client App may be pre-loaded onto a device.
- 14.15 You must accept and comply with, and must ensure that each of your End Users accepts and complies with, the PTT EULA before accessing and using the PTT Client App. Use of location tracking features will be enabled on the PTT Client App if an End User is logged into Telstra PTT regardless of whether they have the Client App open or their mobile device locked.

#### Accessories

- 14.16 We may from time to time make certain accessories available for you to purchase and use with your Telstra PTT solution.

#### Dispatcher Application

- 14.17 The Dispatcher Application is compatible with the following browsers:

- (a) Microsoft Edge;
- (b) Firefox;and
- (c) Google Chrome

We will notify you at the time your service is activated which browser version is supported. Telstra PTT also requires installation of a browser plugin, which you will be prompted to install when you first access the Dispatcher Application.

#### Telstra Fair Play Policy

- 14.18 Our FairPlay Policy (set out in [Part A - General of the Telstra Mobile section of Our Customer Terms](#)) applies to you and your End Users' use of the Telstra PTT solution.
- 14.19 In addition to our FairPlay Policy, you must not use or allow others to use your Telstra PTT solution outside of Australia.

#### Acknowledgements

- 14.20 You acknowledge and agree that:
- (a) Telstra PTT does not include any reporting or similar feature;
  - (b) to the extent permitted by applicable law and subject to the Australian Consumer Law provisions in the General Terms of Our Customer Terms, we do not make any representation or provide any warranty or guarantee:

### Part D – Other Call Types

- (i) that you will be able to access and use Telstra PTT at any given time or that your Telstra PTT Service will be fault free; and
  - (ii) in connection with the PTT Client App, the Dispatcher Application or the CAT other than that they will perform substantially in accordance with the applicable specifications;
- (c) the PTT Client App, Dispatcher Application, CAT web portals and your Telstra PTT solution will only work if the relevant compatible mobile device that an End User uses it with has sufficient Internet connectivity, whether through a compatible cellular network or a Wi-Fi connection;
- (d) real-time push-to-talk content (PTT voice, media traffic and related signalling) you transmit through your Telstra PTT solution will be zero-metered, but you will be charged for additional data services (including, for example, Google Map tiles) required to support the PTT Client App as part of your applicable Required Service;
- (e) the PTT Client App may not be downloadable if Mobile Device Management (“**MDM**”) is installed on the End User’s device. If an End User has MDM on their device, you or the End User may need to enable administrative rights for MDM enrolled End Users to download the PTT Client App or use the MDM software to push the application down to a device; and
- (f) your Telstra PTT solution:
  - (i) is designed to assist you and your End Users in normal day-to-day operations and otherwise in relation to business incidents, but it is not designed for, and you **must not** use it for emergencies (for example, medical emergencies or any situation where a person’s life, health or safety is or may be at risk); and
  - (ii) should be used in conjunction with, but not instead of, normal mobile telephone calls and communications.

#### Compliance with laws

- 14.21 Telstra PTT has the potential to be used by you and your End Users in a manner which could breach Federal, State and Territory privacy, surveillance and workplace surveillance laws. You must not use PTT to determine or track the location of a person or an object in that person’s possession without their express consent.
- 14.22 You must comply, and must ensure that your End Users comply, with all applicable laws in connection with you and your End Users’ use of the Telstra PTT solution, including all applicable privacy, surveillance and workplace surveillance laws.
- 14.23 You must make all necessary disclosures to, and obtain all necessary consents from, your End Users in connection with:

### Part D – Other Call Types

- (a) our receipt, collection, handling, use or storage of your End Users' Personal Information; and
- (b) the recording of calls made using the Telstra PTT solution,

so that you are able lawfully to receive, and we are lawfully able to provide, the Telstra PTT solution in accordance with our agreement with you and all applicable privacy, telecommunications, surveillance and workplace surveillance laws.

- 14.24 You indemnify us from and against any loss, liability or damage (**Loss**) that we suffer or incur and that arises naturally (that is, according to the usual course of things) as a result of any claim against us in connection with your breach or failure to comply with clauses 14.22 and 14.23 of this section of Our Customer Terms, except to the extent your breach or failure to comply with clauses 14.22 or 14.23 is caused or contributed to by us. We will also take reasonable steps to mitigate our Loss suffered or incurred in connection with any such claim.
- 14.25 We may suspend or cancel your Telstra PTT solution without liability to you if you breach clauses 14.22 and 14.23 of this section of Our Customer Terms.

#### Help desk support

- 14.26 We or our third party provider will operate a helpdesk that you may contact by telephone (1300 477 872) for support in relation to your use of Telstra PTT ("**Helpdesk**"). The Helpdesk will operate during Business Hours.
- 14.27 When you contact us for support, you must cooperate fully with us in the diagnosis of the potential issue and provide us with any information we or our third party provider reasonably require to provide support to you in relation to your Telstra PTT solution.

#### Charges

- 14.28 The charges for your Telstra PTT solution are set out in your application form or separate agreement with us and are payable as identified in that Application Form or separate agreement with us.

#### Term and termination and third-party services

- 14.29 Your Telstra PTT solution is provided on a month-to-month basis until terminated in accordance with the terms of your agreement with us for your Telstra PTT solution.
- 14.30 Either party may terminate your Telstra PTT solution on 30 days written notice to the other party.
- 14.31 We use services provided by our third-party service providers ("**Third-Party Suppliers**") in order to provide Telstra PTT to you. If those Third-Party Suppliers terminate a service that we rely on to provide Telstra PTT to you, we may suspend or terminate your Telstra PTT solution or the affected part of your Telstra PTT solution (as relevant) or transfer you to a reasonably comparable alternative service after giving you as much notice as

### Part D – Other Call Types

reasonably possible in the circumstances. If we transfer you to a reasonably comparable alternative service and this has more than a minor detrimental impact on you, you may cancel your service without having to pay any early termination charges for that service.
